# A DEDICATION, A THANK YOU, AND A

# WORD OF GRATITUDE

Dr. Good, on behalf of the Denison student body, I and others say thank you. With your leaving Denison, you have left us lessons that were learned only through your help. You saw our problems and helped us help ourselves, and where we were unable to, you aided us. From our better relations with Granville, to more alumni help and better chances for minorities, Denison is becoming more a school of understanding, intellect, and virtue, the definition of a true liberal arts college. Our great unexpected gift came in the way of watching a man take misfortune and from it produce both example and inspiration for the Denison community. From that, we gained respect for you of the highest kind!

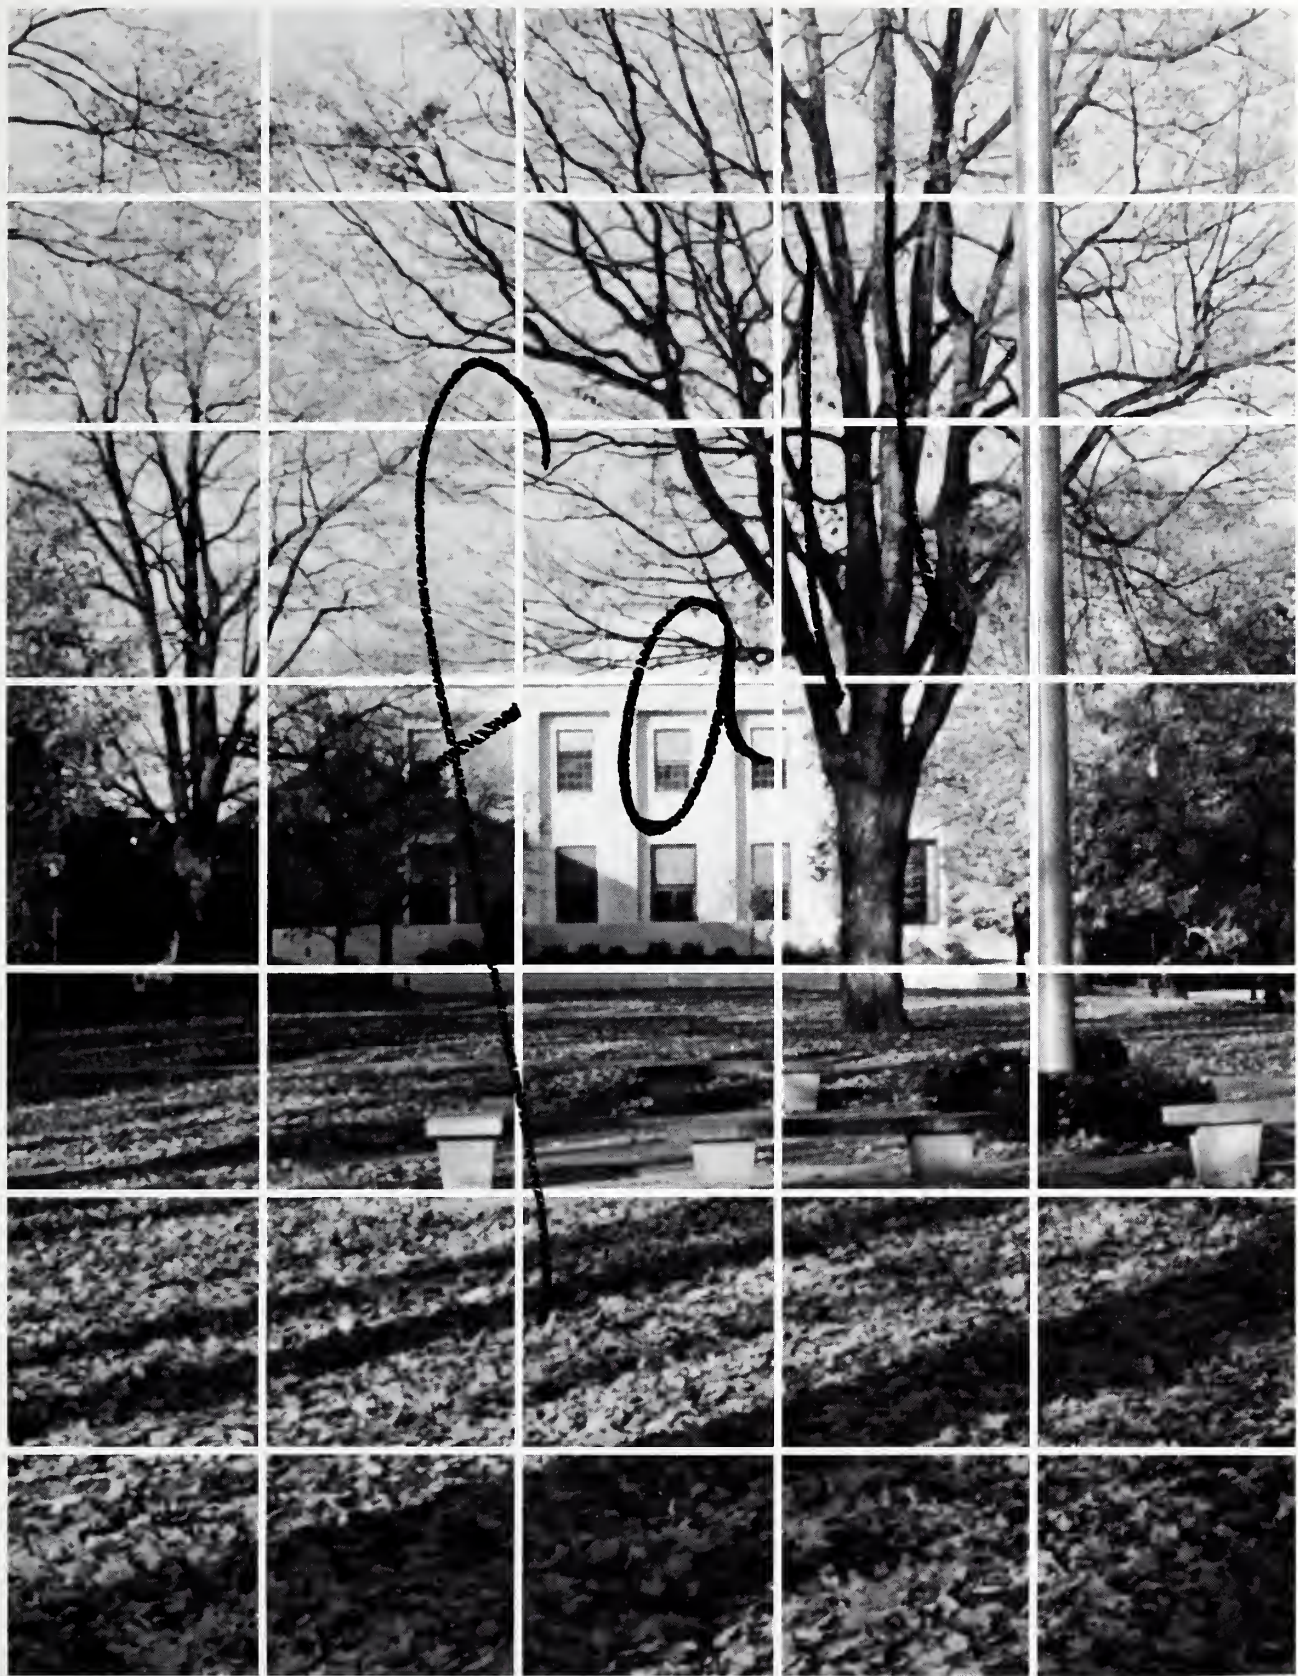

I am not saying a sad goodbye, for we all knew we would eventually be going our separate ways, for I am only trying to express the gratitude that I feel for knowing a man that made such an impact on so many lives.

The bladed grass, a forest of small spears of

CADY

The women's field hockey team ended the 1983 season with a winning record of 13-3-2. Once again we placed fourth in the nation in Division III. Our powerful offense was lead by Meg Filoon (22 goals), Tara Malony (14 goals) and Cecily Birmingham (6 goals). The defense was quite impressive with Randi Lake's 84 saves for the season. Tara Maloney and Kristen Hall were elected to the All Tournament Team at nationals. All American nominees were Nancy Dillard, Meg Filoon, Kristen Hall and Randi Lake. After losing six starters from last years team, we had our doubts about the season, but the team pulled together to be quite an impressive unit. Many friendships developed on the field that will last beyond our time at Denison. Outlooks for next year are high with Meg Filoon and Kristen Hall as next years co-captains.

## MEN'S RUGBY

Despite the loss of 12 starters, the 1983 Mens Rugby Club compiled a very respectable 3-1-1 record. This Fall club was unique in the fact that so many younger players received the call to start. Four freshmen and four sophomores earned the right to play on the "A" side, with five juniors and two seniors rounding out the team. Aggressiveness would be the most appropriate term to describe this years team. Their hard hitting style of play, combined with good execution on the field of play, helped the ruggers achieve some fine victories while upholding the tradition of quality Rugby at Denison. Junior Co-Captain James Harping was the leading scorer, while junior Barry Clough accounted for a considerable number of points through his kicking efforts with an accuracy rate of over 80%. The team was anchored in the scrum by senior Otis Brown at hooker while the backfield was led by senior Rob Gerling. Upcoming young hopefuls include freshmen Doug Parentine and Todd McBride, and sophomores Fred Graeth, Tim Duff, and John Keating.

# WOMEN'S CROSS COUNTRY

**Row 1:** Robyn Colwell, Liz Williams, Lisa Raymond.  
**Row 2:** Coach, Cathy Benton, Anne Dineen, Faye Dolezal, Kim Keifer.

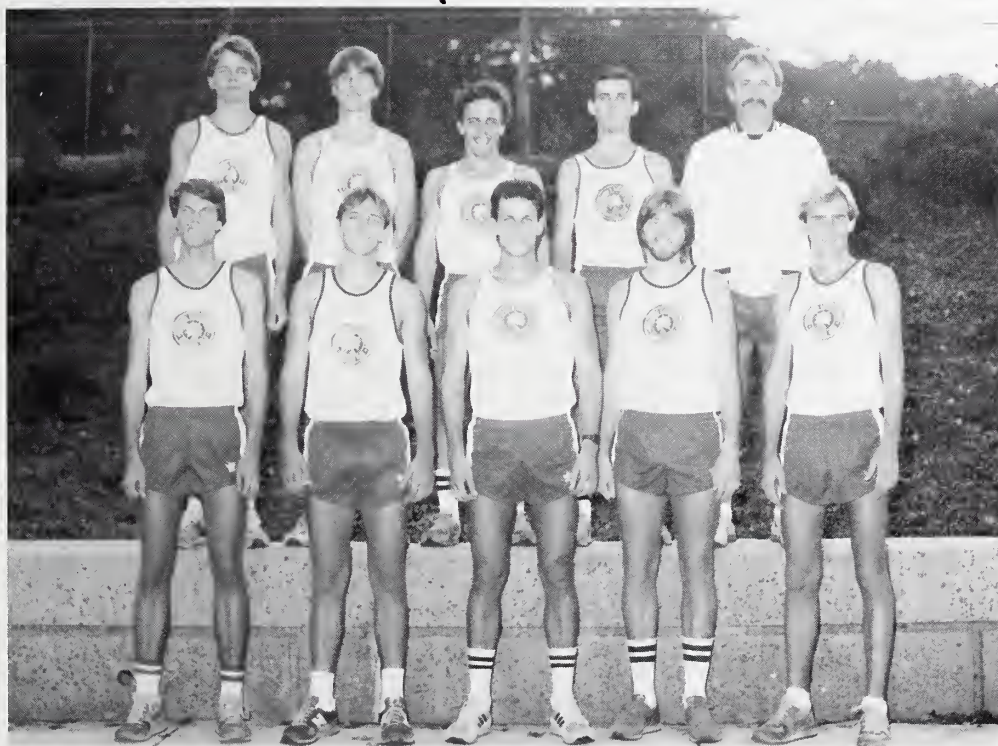

# MEN'S CROSS COUNTRY

The 1983 Men's Cross Country Team placed 6th out of the 13 teams in the Ohio Conference. This is the best place since Coach Phil Torrens took over four years ago.

Kirk Boyd and Dave Gaspari qualified for the Regional Cross Country meet held in Michigan. Both Big Red runners did very well.

Next year the team looks as if to be the top contender in the new North Coast conference, even with the loss of their two seniors.

This year's Cross Country team consisted of senior co-captains Kirk Boyd and John Royse. Returning lettermen were Dave Gaspari, Bill Dowling, and Ted Benparlant. Contributing greatly to the team were Rodger Hall, Dave Funkalsrud, Dave Leonard, and Joe Burke.

**Row 1:** David Fonkalsrud, Roger Hall, Ted Beurparlant, Bill Dowling, coach Phil Torrens. **Row 2:** John Royse, Joe Burke, David Gaspari, David Leonard, Kirk Boyd

# WOMENS VOICES

SEPTEMBER 18-28, 1983

Women's Week has become an annual tradition at Denison — a time to celebrate the accomplishments of women, to explore the historical and contemporary roles of women, and to engage the community in a feminist analysis of issues in our society. Nationally recognized scholars, artists and activists are featured in convocations, workshops, performances, chapel services and class presentations. The prominence given to Women's Week in the university calendar serves as a symbol of Denison's commitment to equity in education and a balanced curriculum.

One important role that faculty members play outside of the classroom is that of faculty advisors for students. Here, a faculty member helps a student to prepare her 2nd semester schedule.

Me thinks all things have travelled since you shined,

# MEN'S SWIMMING

Coming off the 1982-83 season with an 11-4 record and a tenth place finish at NCAA Division III Nationals, the men's swim team has nowhere to go but up. With the strongest nucleus of freshmen ever to enter Denison and a fine combination of upperclass strength, prospects for an outstanding season are excellent. Led by fifth year coach Jim Bolster and Co-Captains Nelson Ehinger and Bobby Heil, the team possesses frontline strength and depth in almost every event. Freshmen Dan Schad and Roger White joins upperclassmen Don Kennedy, Mike Lavery, and John Easton to compose a strong contingent in the distance freestyle events. Bobby Heil, who comes off a fine 82-83 season, is supported by sophomore Rich George and freshman Sean McClellan in the sprint events. He also helps take care of the breaststroke events with support from sophomore Jimmy Kantor. Nelson Ehinger, Fred Dow, Steve Grune allow the team much depth in the butterfly events. Granger joins sophomore Rob Danielson to comprise a strong team in the I.M. events, with the help from junior Rick Sheldon and Paul Thielking. The swimmers are fortunate enough to have the outstanding diving abilities of freshman John Bingham and Jim Bean. Overall, the team is looking for their finest season ever. With strength found in every event, they aim for a strong second place showing in the OAC Championship, in addition to finishing among the top five teams at the Division III Nationals.

# MUSIC BY FACULTY AND GUESTS

The Music Department kept extraordinarily busy this year. Along with the regular student and faculty recitals, there were performances by the Denison Singers, the Concert Choir, the Denison Jazz Ensemble, The Faculty Jazz Quintet, the Concert Band, and the Brass Ensemble. Three students, Theodore Suh, Jeffrey Masten, and Cynthia Owens, all took the initiative to perform individually. And, for the first time, the Music Department and DCGA held a Messiah Sing-Along.

Outside performers graced the stage also. Among these were Continuum (a contemporary music group), Robert Miller (pianist), the Licking County Symphony Orchestra, and the Kurosana Koto Ensemble.

# STUDENT MUSIC RECITALS

The Dance Department would like to bid a warm farewell to Richard Kimble. His dedication and sense of humor over the past eighteen years will be greatly missed. New arrivals in the faculty this year are Suzanne Costello and Stuart Pimsler. Their abilities to teach and to choreograph impressed the department when they were guest artists in the fall of 1982.

An impressive host of guest artists performed here this year. Among them were Scott Brandon, Ze'eva Cohen, Senta Driver's company HARRY, Deborah Hay, and Pauline Oliveros. These artists have sparked a stronger student interest in dance.

This year Denison hosted the GLCA Dance Conference. This is a great time for the colleges to see each other's work and discuss improvements needed in the curriculum. Also, National Dance Week was celebrated with concerts, videos, and pictures of dance.

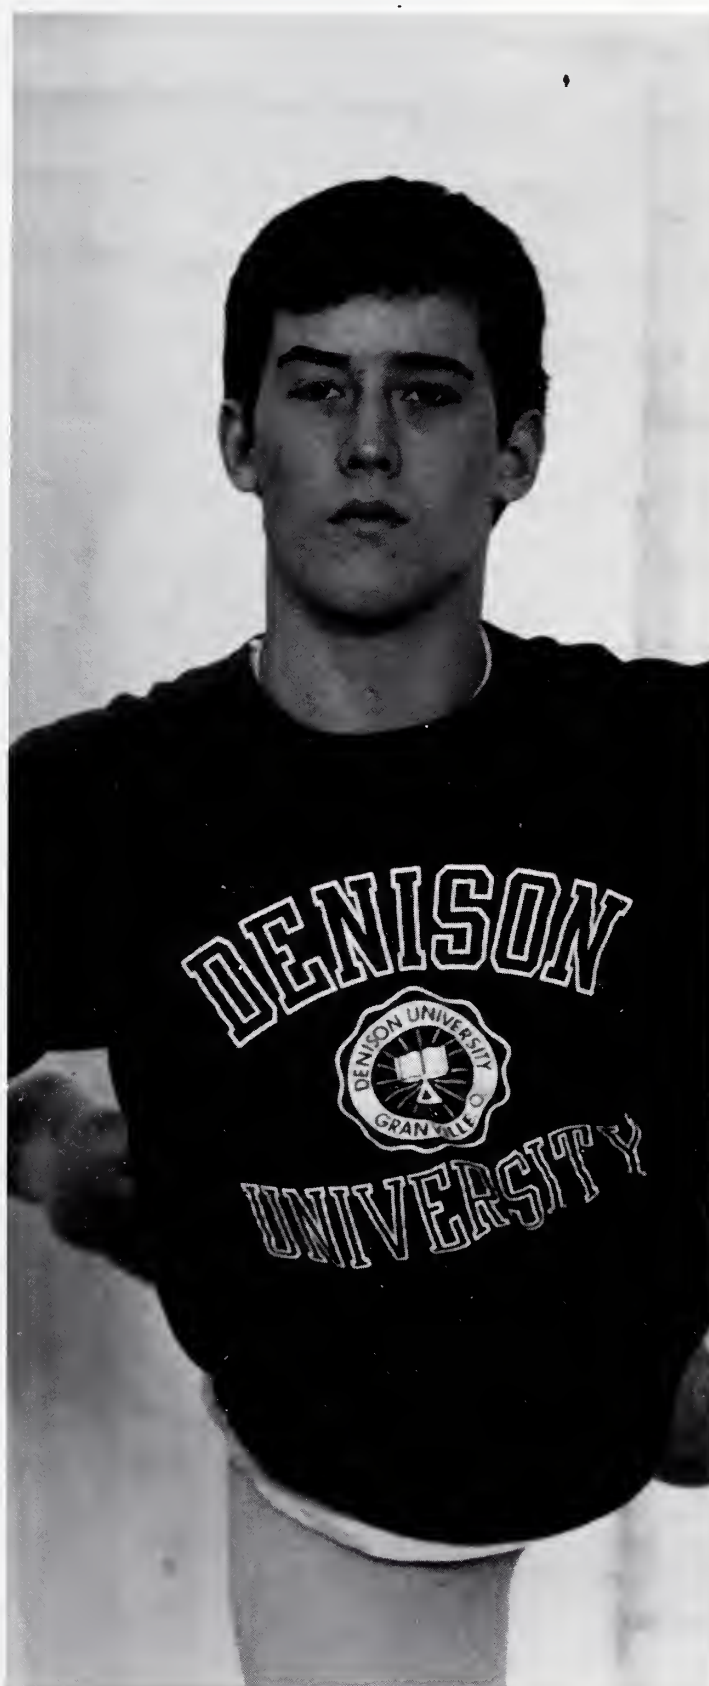

Student initiative was quite strong this year. In January, a group of dancers formed a company. This company brought dance to the Denison community by performing "uphill" frequently. Other student projects included the annual spring dance concert and individual student concerts.

The Dance Department's future looks eventful. Planned for next year is a joint position with Kenyon. Selected students from both schools will perform pieces together. Also, an original Anna Sokolow piece will be performed by Denison students. In addition, Noel Hall will have a concert of all of his pieces as it will be his last year here.

## THEATRE II:

# THE EFFECT OF GAMMA RAYS ON MAN-IN-THE-MOON MARIGOLDS

# MAINSTAGE; GETTING OUT

The Theatre Department produced an incredible amount of shows. Mainstage plays were **Waiting for Godot**, **Hedda Gabler**, **Getting Out**, and **A Flea in Her Ear**. The latter two were directed by the newest faculty member, Jim Zvanut. **Partners in Mime**, **The Effect of Gamma Rays on Man-In-The-Moon Marigolds**, and **Working** were successful Theatre II productions. **Partners in Mime** and **Working** were both J-term projects.

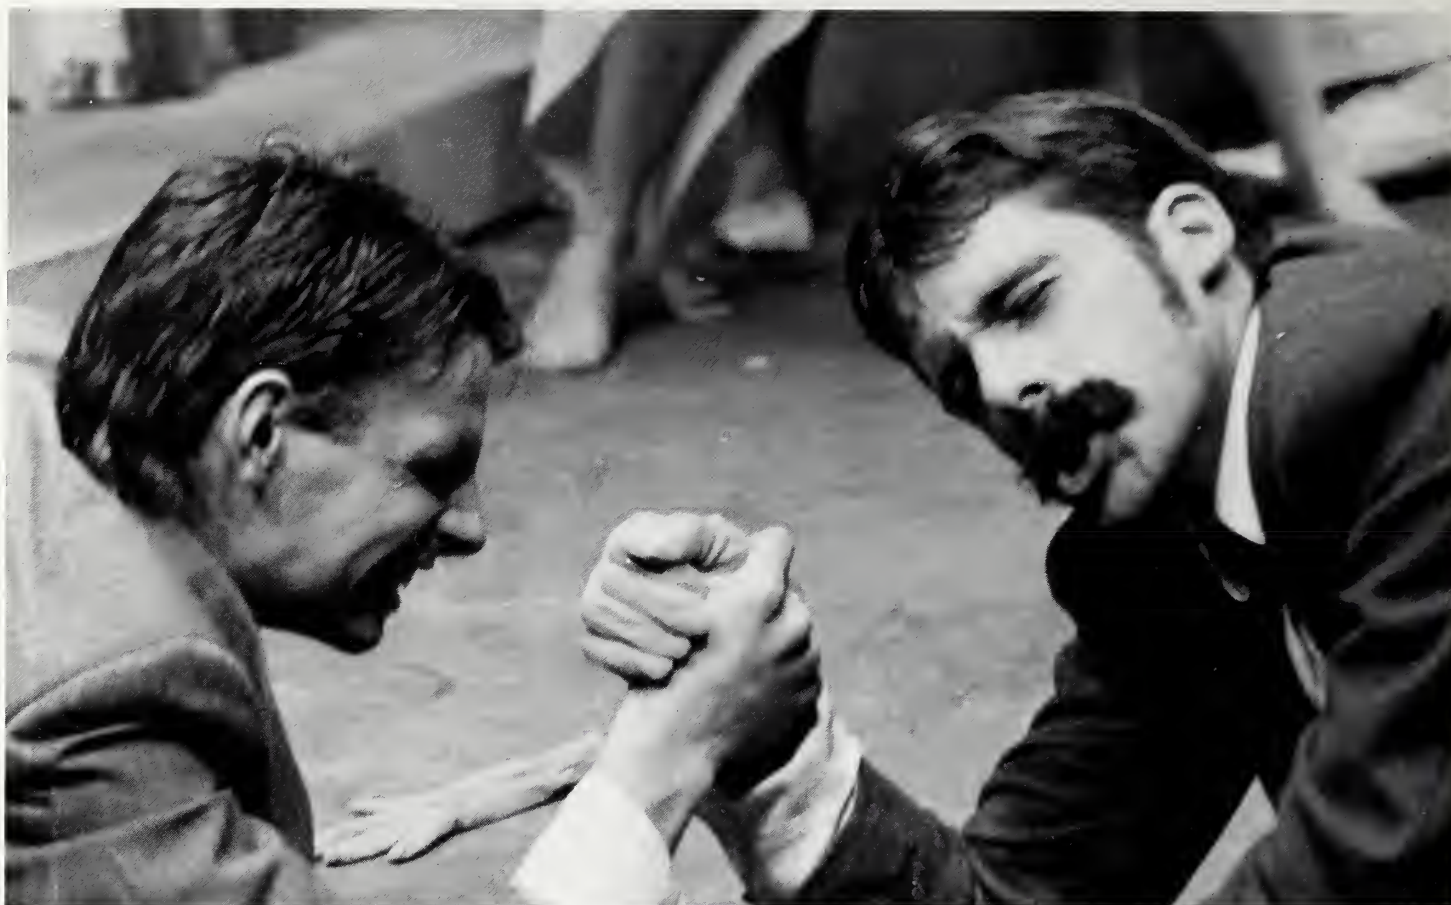

This year students produced a number of works. The motivation from the students evolved into **A Little Night Magic, Greater Tuna, Talking With, Two X Four, and The Bald Soprano.**

In the Cinema Department, students are continually making short films which they present in the Film Festival. This year, surprisingly, they were able to work with a professional director from Turkey. The students worked with him in the shooting of **In the Wilderness.**

# VAIL ARTS SERIES

Under the organization of Lorraine Wales, the Vail Arts Series was a great success. This year, the Denison community heard the music of Pinchas Zukerman, Dizzy Gillespie, Lorin Hollander, and the Chamber Music Society of Lincoln Center. In addition to music, Lorin Hollander spoke to students in music related fields, in spite of his stage fright.

I SING the body electric,  
 The armies of those I love engirth me and I engirth them,  
 They will not let me off till I go with them, respond to them,  
 And discorrput them, and charge them full with the charge of the soul.

## CHESS CLUB

Denison Chess Club provides an opportunity for organized competition to improve playing skill and promote contact with other players both on campus and off. Tuesday night meetings usually feature "ladder" tournament games in which players try to advance by challenging one rung above them. Occasionally there are "speed" games with a five-minute time limit.

The club has a rivalry going with Keyon College with several team matches per year. It has also played matches against clubs from Zanesville, Mansfield, and Columbus. Twice a year the club sponsors a weekend tournament at Denison sanctioned by the U.S. Chess Federation.

# BANDERSNATCH BANDERSNATCH BANDERSNATCH

The Bandersnatch is a student run, cafe-style coffee-house. The Bandersnatch provides those managing an opportunity to run a small business, undertaking all facets of its operation. The Bandersnatch's purpose is to serve the Denison University campus by offering a quiet, relaxed atmosphere, a variety of foods, various forms of student and faculty expression and an alternative spot for meetings, lunchions and study breaks.

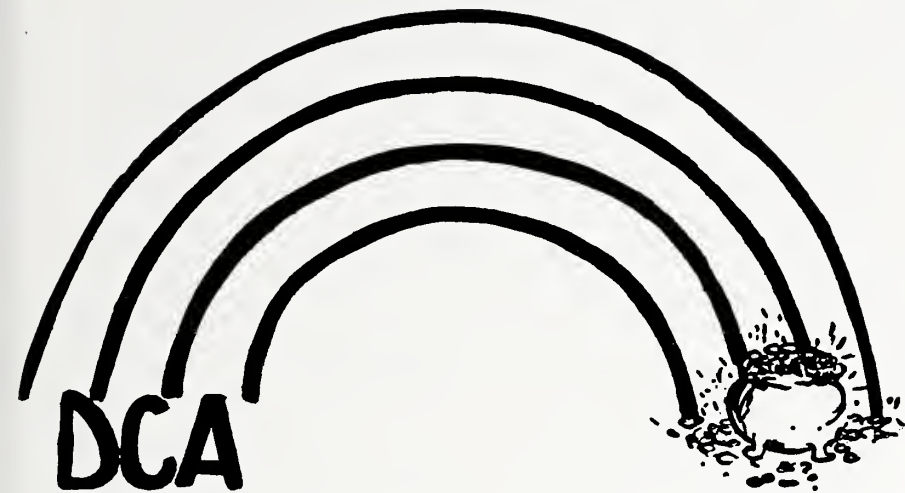

The Bandersnatch has made considerable gains and has received student and administration support. In our eyes, the Bandersnatch has tremendous potential. We would like to see it become a dynamic, ongoing concern on campus. (Managers: Keith Gordon and Bruce Ferguson)

## THE JEWISH COMMUNITY

The purpose of this group is to provide Denison students and faculty of the Jewish faith with the services and activities for holidays in a warm and friendly atmosphere. The services are conducted in an informal manner and are good opportunities to establish friendships.

are worth their weight  
in gold.*

The Denison Community Association is a dynamic volunteer organization that allows its members to develop an active awareness of varying social conditions that exist in the world beyond campus life. With over 200 committees, DCA programs serve people who, due to physical or mental disabilities, financial hardships, or loneliness, are less fortunate than we are and need companionship or assistance. Last year the annual solicitation drive raised over \$3000 for L.E.A.D.S. (Licking Economic Aids Development). This money was used in aiding needy families in the Licking County area. Other committees vary from adopting a grandparent in Granville, becoming a big brother or big sister for a junior high school, teaching swimming or tutoring.

# DENISON INTERNATIONAL STUDENTS ASSOCIATION

The Denison International Students Association is comprised of International and American students and some faculty members. We wish to promote intercultural exchange and communications between American and International students. All International students are automatically members and anyone else interested may join. We sponsor an International Banquet in the Fall, Senior's

Banquet in the Spring, Intercultural workshops in February, and dinners every Thursday with great lecturers. Co-Presidents are Gaik Teh and Victory Mamabolo, Treasurer is Sheron Tai-Chum, Secretary is Susan Passmore, Social Chair is Veronica Reimers, and I.S.A. is Kok Fook Yung.

## DENISON LECTURE SERIES

The Denison Lecture Series is a student-run committee which solicits speakers for the Denison campus and community. The committee consists of approximately twenty students, and graduating members are replaced during the second semester through a recruiting program. The Lecture Series generally brings three speakers to Denison each semester. These speakers include prominent authorities in every field-government, sciences, mass media, business, social reform, etc. During the 1982-83 academic

year, the Denison Lecture Series hosted a number of important speakers including Ralph Nader and Dr. Alvin Poussaint. In addition to organizing lectures, the Lecture Series also hosts receptions and dinners for guests of the university. Pictured above is Back: Roger Hall, Wanda Davis, Jerry Harrington, Jennifer Smith, Karla McEvoy, Michael Stuntz, Claudia Donegan, and Amy Gordon. Front: John Kropf, Nancy Orem, and Gail Missier.

## EXILE

**Exile** literary magazine publishes the finest prose and poetry that is produced by Denison student writers. A bi-annual publication, **Exile** also encourages photographers, essayists, graphic artists, and print makers to submit their work for consideration. **Exile** is supported by the DCGA and is therefore free to faculty, staff, and students. Staff is the following: Bruce Hayashi (Editor), Bruce Pedretti, Kate Reynolds, and Kerry Tobias.

## PROLOGUE

**Prologue** is Denison's monthly guide to the fine arts, established last year as a comprehensive medium for the promotion and celebration of event in the art on campus. Included in each issue is a full calendar which summarizes the vast experience in the arts available to each of us at Denison from the department of music, dance, theatre and cinema, and the Burke Art Gallery, the Vail Arts Series, the Denison Film Society and other organizations. In addition, we publish feature-length commentary on most major events in the arts in a through, provocative, and graphically distinctive manner, which serves to enhance the existing process by which the arts are published. Charles Owen is Editor, and John Cooperrider is Design Editor.

# WOMEN'S ACTION GROUP

The Women's Action Group consists of a group of students who are concerned with the status of women at Denison. The group tries to make the campus more aware of the problems as well as the opportunities facing women and men today. Some of our activities have included self-defense workshops, singers, support groups, pot luck suppers, speakers and participation in annual Women's Week activities. Chairpeople are Lisa Pittenger, Michele Mayerson, and Kathy Shelton.

The entire sequence of calisthenics takes about 6 to 8 minutes, but it requires 16 to 20 one-hour sessions to learn. Its primary goal is to discipline mind and body with relaxed movements based on the Ying-Yang theory. The instructor is Gil Chang.

## CHAPEL ADVISORY BOARD

The Chapel Advisory Board assists the Dean of Religious Life with developing a program of ecumenical Christian chapel services. Members also help develop campus-wide programs on social and ethical issues. Each Fall the Board sponsors the Fast for Oxfam America (a fast for world hunger). Additionally, members are expected to propose, explore, and implement program ideas which add to the educational and moral development of the Denison community.

The Chapel Advisory Board meets twice each month to give counsel and advice to the Dean of Religious Life concerning the chapel program. Each chapel service has a task force of volunteers who create, plan, and implement the service. Members serve on these planning task forces and may also participate directly in the chapel services. Board members actively solicit the involvement of other students in both the planning task forces and chapel services. Involved students are the following: Michael Bennett, Lisa Braun, Bo Brownlee, Missy Carney, Rick Coplin, Beth Crawford, Lisa Crouthamel, Dave DeLambo, Kent Falknor, Ellen Fockler, Laurie Hall, Ken Jones, Tim Mahoney, Kim Mallarnee, Steve Mortinger, John McConkey, Mike Rhoads, Gary Simpson, Kristi Skeel, Jill Staples, Wendy Tamburro, Karen Walters, and Sheila Waters.

## Denison roundup

### DU netters nab OAC crown

DELAWARE, Ohio — For the sixth year in a row, Denison's Big Red reign as champions in Ohio Athletic Conference tennis circles.

Coach John Tegtmeyer's Big Red netters earned two singles championships and one doubles title Saturday at Delaware en route to the conference title. Denison, which also had two runner-up finishes in singles and one runner-up showing in doubles, finished with 29 points, two more than Wooster.

It was actually a four-team race, for behind Wooster's total of 27 points, came Ohio Wesleyan with 24 and Wittenberg with 22. Oberlin was next at 13, followed by Ohio Northern with 10½, Kenyon with 10, Marietta 8½, Otterbein 7½, Muskingum 6, Heidelberg 5, Mt. Union 2, Baldwin-Wallace 2, and Capital 1.

DU's Bill McLean won the OAC title at No. 3 singles, defeating Dave Baka of Wooster. Big Red captain John Sokol claimed the conference crown at No. 6 singles, downing Tom Hetrick of Wooster.

McLean and Doug Detwiler teamed up to give Denison the OAC title at No. 2 doubles, as they turned back Backa and Gary Peterson of Wooster in straight sets.

Granville's Steve Tritt was runner-up at No. 2 singles, losing to Wooster's John Morlidge in the finals. At No. 5 singles, Newark native Doug Jones was runner-up to Wittenberg's Rob Lear.

At No. 3 doubles, Tritt and Alan Walker earned a runner-up finish for the Big Red; they bowed Wooster's Hetrick and Doug Hart in the finals.

LAST

Good-night to the Season! another  
Will come with its trifles and toys,  
And hurry away, like its brother,  
In sunshine, and odour, and noise.  
Will it come with a rose, or a brier?  
Will it come with a blessing, or curse?  
Will its bonnets be lower, or higher?  
Will its morals be better, or worse?  
Will it find me grown thinner, or fatter,  
Or fonder of wrong or of right,  
Or married, or buried? — no matter —  
Good-night to the Season! — Good-night

MAY 26, 1984

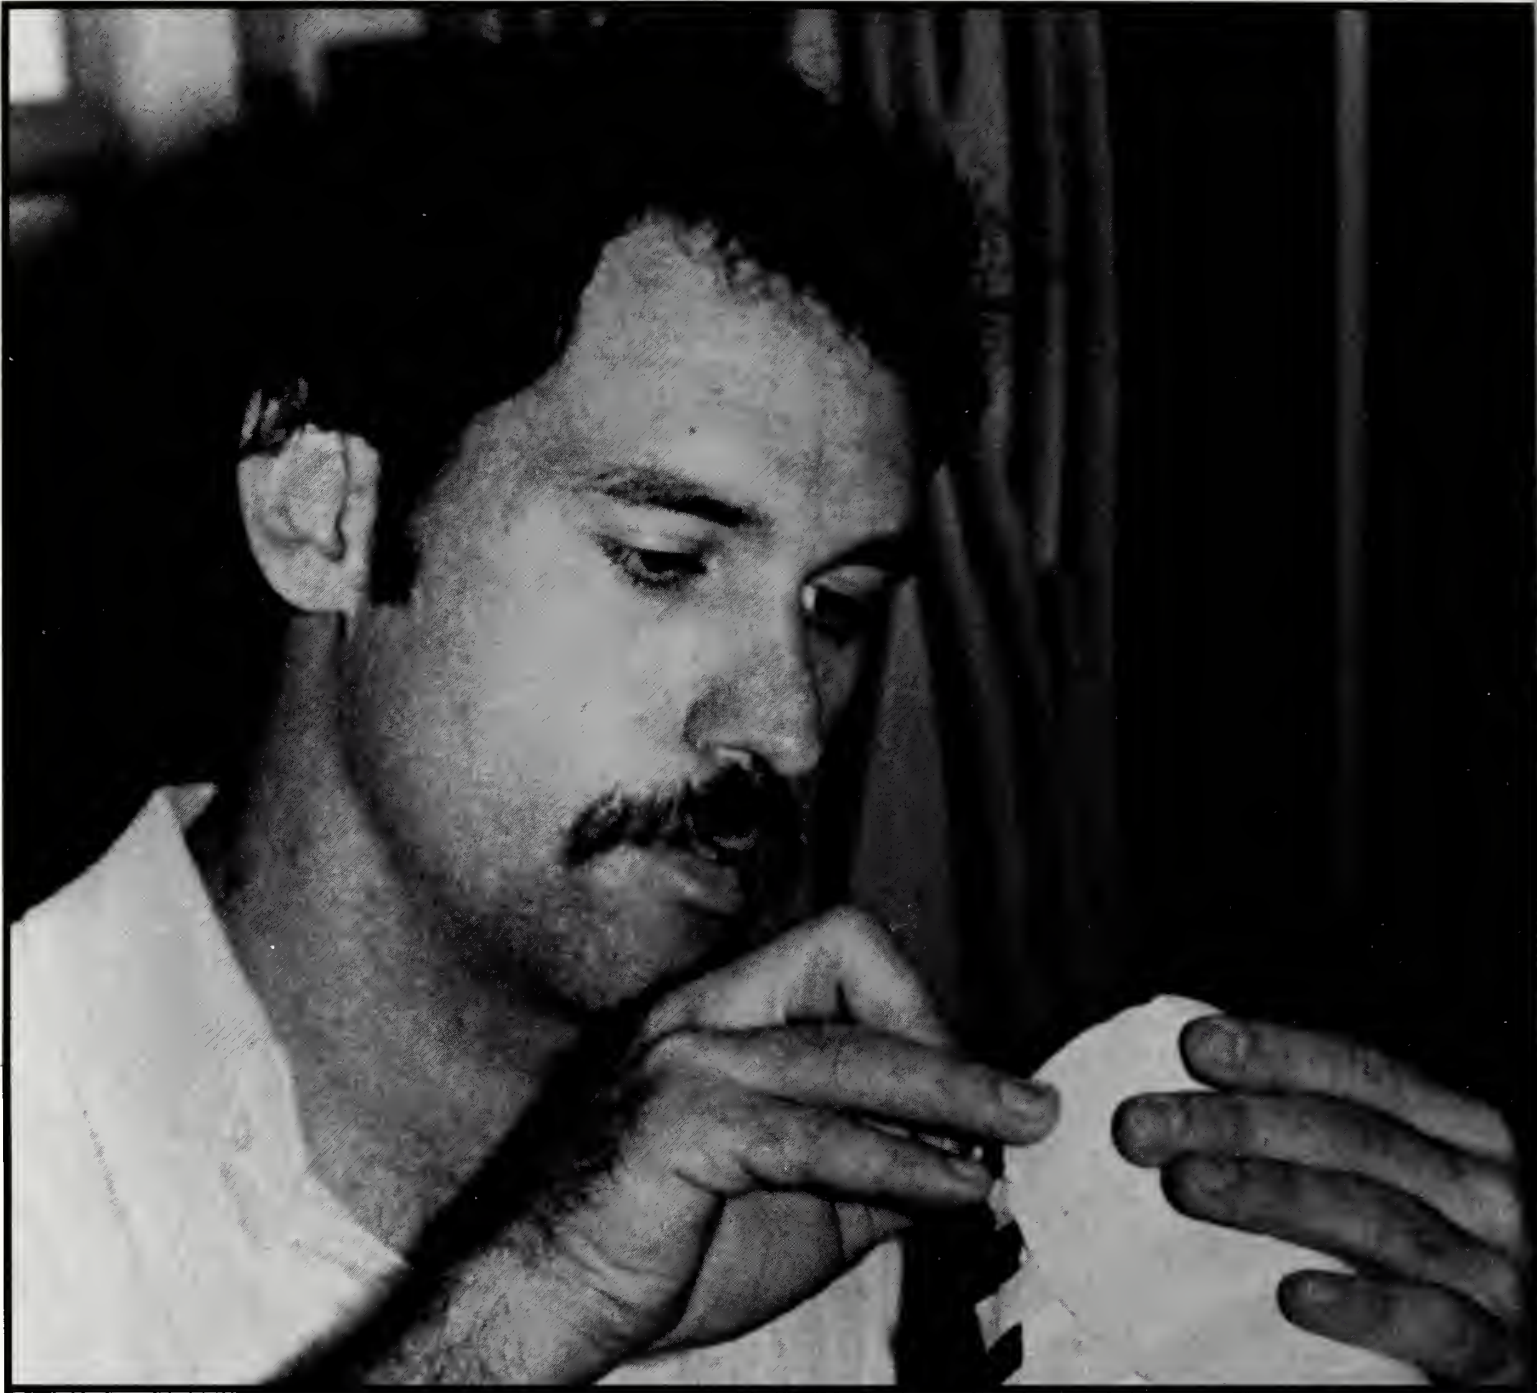

# ROURK "RORY" JON MULLEN

February 17, 1961-May 12, 1984

Blessed are the dead which die in the Lord from henceforth. Thus the Spirit says: that they rest from their labors, and that their works follow after them. **Revelation 14:13**

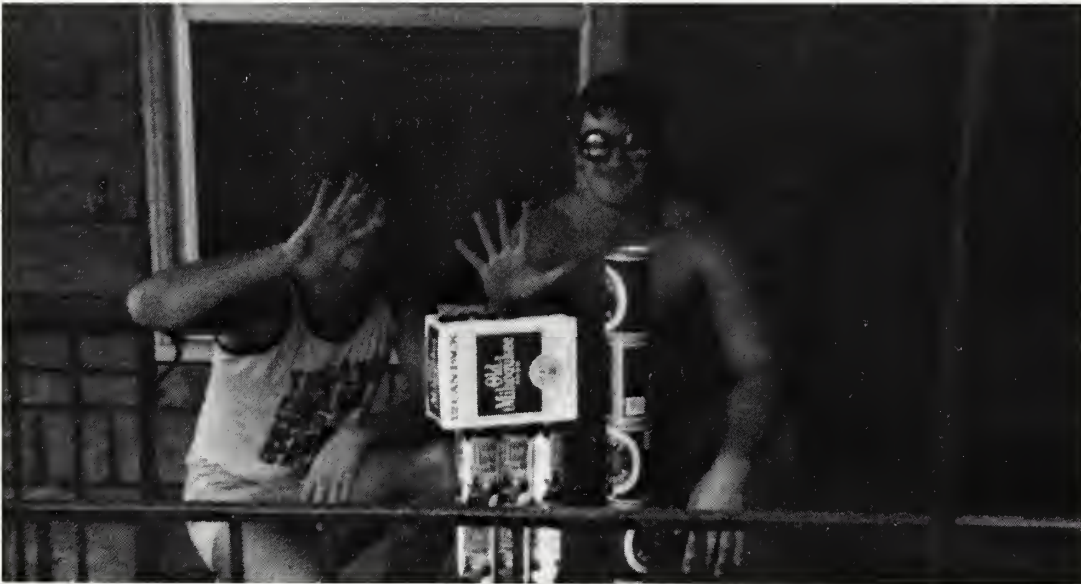

# TO MARTHA SHATTUCK FULLER

Here on earth we have no continuing place; and yet we seek one to come. **(Hebrews 13:14)** Lo, I unfold unto you a mystery: we shall not all sleep when He cometh, but we shall all be changed in a moment, in the twinkling of an eye, of the sound of the trumpet. For the trumpet shall sound and the dead shall be raised up in incorruptible, and we all shall be changed. Then what of old was written, the same shall be brought to pass. For death shall be swallowed in victory. Grave, where is thy triumph? Death, O where is thy sting? **(1 Corinthians 15:15, 52, 54, 55)** Lord, Thou art worthy of praise and of honor and might, for Thou hast earth and heaven created, and for Thy good pleasure all things have their being and were created. **(Revelation 4:11)**

I'll smile and say you were a friend of mine
